Being Mortal by Atul Gawande

Medicine has triumphed in modern times, transforming birth, injury, and infectious disease from harrowing to manageable. But in the inevitable condition of aging and death, the goals of medicine seem too frequently to run counter to the interest of the human spirit. Nursing homes, preoccupied with safety, pin patients into railed beds and wheelchairs. Hospitals isolate the dying, checking for vital signs long after the goals of cure have become moot. Doctors, committed to extending life, continue to carry out devastating procedures that in the end extend suffering. Gawande, a practicing surgeon, addresses his profession's ultimate limitation, arguing that quality of life is the desired goal for patients and families. Gawande offers examples of freer, more socially fulfilling models for assisting the infirm and dependent elderly, and he explores the varieties of hospice care to demonstrate that a person's last weeks or months may be rich and dignified.

The Book that Matters Most by Ann Hood

Ava's twenty-five-year marriage has fallen apart, and her two grown children are pursuing their own lives outside of the country. Ava joins a book group, not only for her love of reading but also out of sheer desperation for companionship. The group's goal throughout the year is for each member to present the book that matters most to them. Ava rediscovers a mysterious book from her childhood—one that helped her through the traumas of the untimely deaths of her sister and mother. Alternating with Ava's story is that of her troubled daughter Maggie, who, living in Paris, descends into a destructive relationship with an older man. Ava's mission to find that book and its enigmatic author takes her on a quest that unravels the secrets of her past and offers her and Maggie the chance to remake their lives.

The Handmaid's Tale by Margaret Atwood

Offred is a Handmaid in the Republic of Gilead. She may leave the home of the Commander and his wife once a day to walk to food markets whose signs are now pictures instead of words because women are no longer allowed to read. She must lie on her back once a month and pray that the Commander makes her pregnant, because in an age of declining births, Offred and the other Handmaids are valued only if their ovaries are viable. Offred can remember the days before, when she lived and made love with her husband Luke; when she played with and protected her daughter; when she had a job, money of her own, and access to knowledge. But all of that is gone now....

Moloka'i by Alan Brennert

This richly imagined novel, set in Hawai'i more than a century ago, is an extraordinary epic of a little-known time and place---and a deeply moving testament to the resiliency of the human spirit. Rachel Kalama, a spirited seven-year-old Hawaiian girl, dreams of visiting far-off lands like her father, a merchant seaman. Then one day a rose-colored mark appears on her skin, and those dreams are stolen from her. Taken from her home and family, Rachel is sent to Kalaupapa, the quarantined leprosy settlement on the island of Moloka'i. Here her life is supposed to end---but instead she discovers it is only just beginning.

Hillbilly Elegy by J.D. Vance

Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The decline of this group, a demographic of our country that has been slowly disintegrating over forty years, has been reported on with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were “dirt poor and in love,” and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually their grandchild (the author) would graduate from Yale Law School, a conventional marker of their success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that this is only the short, superficial version. Vance's grandparents, aunt, uncle, sister, and, most of all, his mother, struggled profoundly with the demands of their new middle-class life, and were never able to fully escape the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. Vance piercingly shows how he himself still carries around the demons of their chaotic family history.

The Tea Girl of Hummingbird Lane by Lisa See

Explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. A powerful story about a family, separated by circumstances, culture, and distance, *Tea Girl of Hummingbird Lane* paints an unforgettable portrait of a little known region and its people and celebrates the bond that connects mothers and daughters.

A Piece of the World by Christina Baker Kline

To Christina Olson, the entire world was her family's remote farm in the small coastal town of Cushing, Maine. Born in the home her family had lived in for generations, and increasingly incapacitated by illness, Christina seemed destined for a small life. Instead, for more than twenty years, she was host and inspiration for the artist Andrew Wyeth, and became the subject of one of the best known American paintings of the twentieth century. As she did in her beloved smash bestseller *Orphan Train*, Christina Baker Kline interweaves fact and fiction in a powerful novel that illuminates a little-known part of America's history. Bringing into focus the flesh-and-blood woman behind the portrait, she vividly imagines the life of a woman with a complicated relationship to her family and her past, and a special bond with one of our greatest modern artists. Told in evocative and lucid prose, *A Piece of the World* is a story about the burdens and blessings of family history, and how artist and muse can come together to forge a new and timeless legacy.

Lilac Girl by Martha Hall Kelly

New York socialite Caroline Ferriday has her hands full with her post at the French consulate and a new love on the horizon. But Caroline's world is forever changed when Hitler's army invades Poland in September 1939—and then sets its sights on France. An ocean away from Caroline, Kasia Kuzmerick, a Polish teenager, senses her carefree youth disappearing as she is drawn deeper into her role as courier for the underground resistance movement. In a tense atmosphere of watchful eyes and suspecting neighbors, one false move can have dire consequences. For the ambitious young German doctor, Herta Oberheuser, an ad for a government medical position seems her ticket out of a desolate life. Once hired, though, she finds herself trapped in a male-dominated realm of Nazi secrets and power. The lives of these three women are set on a collision course when the unthinkable happens and Kasia is sent to Ravensbrück, the notorious Nazi concentration camp for women. Their stories cross continents—from New York to Paris, Germany, and Poland—as Caroline and Kasia strive to bring justice to those whom history has forgotten.
